

Why choose *Encore* for your next Church Directory?

Service. Our focus is on the local area churches. That means we are HERE for you if need us.

The Digital Advantage. Photographing digitally allows us to instantly verify the quality of our images and makes it possible for you to preview your portraits immediately on our computer. There is no charge if more poses are needed.

Encore Studios. We do all the setup, layout, proof program so your staff does not have to spend their time laying out the directory.

Quality Directories. All pages are printed on 100 lb text paper, with a heavier, water resistant cover to last for years.

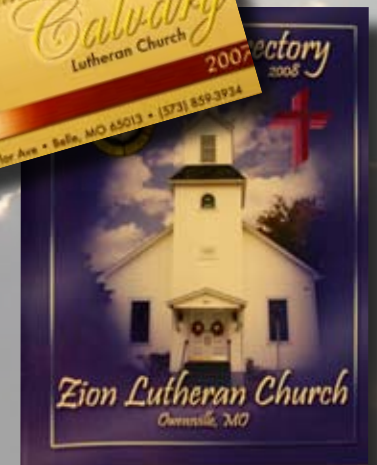

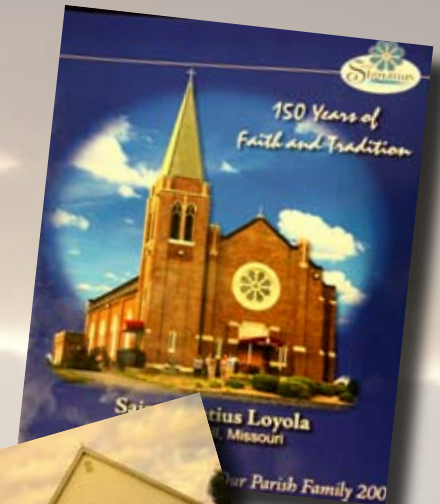

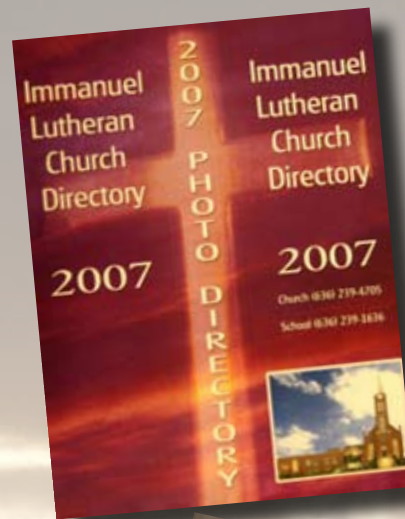

Program Support. We support your Directory Portrait effort with mailers and display posters as needed—at no cost to you.

No Sitting Fees. Absolutely no session fee for any member's portraits during scheduled sessions.

Free Photography of shut-ins. We will work with you to photograph members at no charge that physically can not make it to a portrait session.

Free 8 x 10. All members that come for a Portrait session receive a Free, no obligation 8 x 10 Portrait.

No Pressure Sales. We offer Portraits to members in a friendly and no pressure manner. They get to pick their favorites immediately after the session, no waiting or return visits needed.
